

PRAY

PRAY FOR/THAT:

- Our church would be unified around the vision of **FOR**.
- As we serve and bless our communities, people will encounter the love of Jesus and be curious about Him.
- God's spirit captures our hearts and fills our church with faith.
- Everyone who calls our church their home would participate taking their next right steps into discipleship & generosity - our primary goal.
- Everything on our 2024 ministry goals list would to be accomplished as God provides all the resources we need - our secondary goal.
- Commitment week would be marked by God's presence and power, giving our church daring faith to trust in God as we make our commitments.
- Our Kids and Students would also catch the vision of **FOR** and play their part in serving, giving and showing the love of Jesus.
- The peace of God, the "Shalom" of God, to rest on the cities and communities our churches are in.
