#### Discussion Questions

1. For most of the world, these past couple of years have found many of us perhaps feeling like our foundation has been shaken. Things we counted on, things we looked forward to, and things we planned for did not come to pass. Share some practical ways you've been able to remain hopeful in the midst of challenges.
2. What would it mean for you to be "built up in Christ" this year, or to be more firmly grounded on the foundation of God's Word? What does that look like to you, and what spiritual practices can help you get there?
3. Whom can you journey with this year to help you be more deeply rooted in your faith in Jesus?
